Dear Paula,

Thank you so much for the fantastic job you did designing a plan for our daughter's wedding reception.

I really didn't know what I needed, and I was amazed at all you did for me on such short notice. Even though I came to you at a very busy time, you were patient with me and greeted all your other customers with a warm and friendly smile.

We want to express our deepest appreciation for all that you did to make our daughter's wedding day one of the most memorable occasions, not only for her and her new husband, but for our family and for all of our friends.

May God richly bless you.

Sincerely,
