Re: Wedding on Sept 21

Dear Paula,

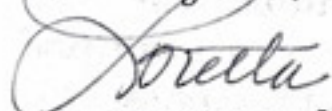

Al and I just want to thank you and your husband for taking such good care of our wedding reception order of furniture, linens and accessories.

You were both so great to work with and you made our job of planning our wedding so easy. We really appreciated all of your suggestions, as these were things we hadn't even THOUGHT about!

The wedding reception in our garden was spectacular. The soft pink table cloths worked very well with the floral baskets Al made as well as the wine glasses we hand painted in the pink and green floral design. It truly was an end of summer party to remember. Everyone who came from the west side of town remarked how beautiful...of course the 80 degree weather at 11 o'clock at night helped a lot!

Thanks again and we will always recommend your service and look forward to working with you again in the future!

Kind regards,

Loretta Iannalfo Kazantzis
